

24/7 CHAIR

THE OFFICE CHAIR DESIGNED FOR INTENSIVE, HEAVY DUTY USE IN EXTREME ENVIRONMENTS.

CORTECH
USA

The 24/7 Chairs are perfectly suited for combination seating environments that require 24-hour durability and adjustability. The 24/7 Chairs are designed for ease of adjustment, comfort and flexibility.

The 24/7 Intensive Use collection offers a broad range of choices to satisfy users in any 24/7 work environment. These well-priced and durable task chairs feature a uniform look and consistent set of functions across most models. You can be sure that your employees will be able to have the same level of comfort regardless of their body type or height. Simply put, these Intense Use chairs are designed to work long hours so that your maintenance people won't have to.

Cortech USA has over-engineered these chairs to provide you with complete 24/7 reliability.

24/7 CHAIRS FEATURE:

- Infinitely adjustable for intensive task use.
- Warranted for 24/7 usage by users up to 500 pounds.
- Mid- and high-back availability to accommodate a range of body types.
- Auto-lockout on backrest angle for enhanced worker productivity and safety.

Note: Arms sold separately.
